

Manufacturer & Exporter of  
Dehydrated Vegetables, Spices  
and Spraydried

### **About Us:**

**Swad Foods**, based in Mahuva, Gujarat, processes high-quality dehydrated onions, garlic, and vegetables with a daily capacity of 9 MT. Managed by second-generation entrepreneurs, the company ensures globally safe food standards. Their advanced, automated plant uses SS equipment for contamination-free production. Swad Foods also cultivates onions and vegetables. Regular food safety and health training are provided to all staff.
